2. OPERATIVE PROVISIONS

In consideration of the payment of one pound (£1.00) by the Authorities to the Consultant, receipt of which the Consultant acknowledges:-

3. CONSULTANT'S WARRANTY AND LIABILITY

3.1 The Consultant warrants to the Authorities that it has carried out and will continue to carry out its duties under the Appointment in accordance with the Appointment and that it has exercised and will continue to exercise in the performance of those duties the reasonable skill care and diligence to be expected of a properly qualified member of its profession experienced in carrying out duties such as its duties under the Appointment in relation to works of similar scope, nature and complexity to the Works.

The benefit of and the rights of the Authorities under this Deed may be assigned without the consent of the Consultant on two (2) occasions only and the Authorities will notify the Consultant in writing following any such assignment specifying the name and address of the assignee and the date of the assignment. The Consultant will not contend that any such assignee is precluded from recovering any loss resulting from any breach of this Deed (whatever the date of such breach) by reason only that that person is an assignee and not the original beneficiary hereunder or by reason that the original beneficiary or any intermediate beneficiary escaped any loss resulting from such breach by reason of the disposal of any interest in the Site or that the original beneficiary or any intermediate beneficiary has not suffered any or as much loss.

9. AUTHORITIES' REMEDIES

The rights and benefits conferred upon the Authorities by this Deed are in addition to any other rights and remedies they may have against the Consultant including without prejudice to the generality of the foregoing any remedies in negligence.

10. INSPECTION OF DOCUMENTS

The Consultant's liabilities under this Deed will not be in any way reduced or extinguished by reason of any inspection or approval of the Documents or attendance at site meetings or other enquiry or inspection which the Authorities may make or procure to be made for their benefit or on their behalf.

11. STANDARDS OF PRODUCTS AND MATERIALS

11.1 The Consultant warrants that it has exercised and will exercise reasonable skill, care and diligence in accordance with this Deed to see that it has not specified for use and it will not specify for use and (as appropriate) it has not authorised or approved and it will not authorise or approve the specification or use by others, of any products or materials not in conformity with relevant British or European Union Standards or Codes of Practice or which at the time of specification are widely known to members of the Consultant's profession within the European Union to be deleterious to health and safety or to the durability of buildings and/or other structures and/or finishes and/or plant and machinery in the particular circumstances in which they are used.

11.2 If in the performance of its duties under the Appointment the Consultant becomes aware that it or any other person has specified or used, or authorised or approved the specification or use by others of any such products or materials the Consultant will notify the Authorities in writing forthwith. This clause does not create any additional duty for the Consultant to inspect or check the work of others which is not required by the Appointment.

12. STEP-IN RIGHTS IN FAVOUR OF THE AUTHORITIES

12.1 The Consultant will not exercise or seek to exercise any right which may be or become available to it to terminate or treat as terminated or repudiated the Appointment or its engagement under it or discontinue or suspend the performance of any duties or obligations thereunder without first giving to the Authorities not less than thirty (30) days' prior written notice specifying the Consultant's ground for terminating or treating as terminated or repudiated the Appointment or its engagement under it or discontinuing or suspending its performance thereof and stating the amount (if any) of monies outstanding under the Appointment. Within such period of notice:-

12.1.1 the Authorities may give written notice to the Consultant that the Authorities will thenceforth become the employer under the Appointment to the exclusion of

the Building Contractor and thereupon the Consultant will admit that the Authorities are the employer under the Appointment and the Appointment will be and remain in full force and effect notwithstanding any of the said grounds;

12.1.2 if the Authorities have given such notice as aforesaid or under clause 12.3 below, the Authorities shall accept liability for the Building Contractor's obligations under the Appointment and will as soon as practicable thereafter remedy any outstanding breach by the previous client which properly has been included in the Consultant's specified grounds and which is capable of remedy by the Authorities; and

12.1.3 if the Authorities have given such notice as aforesaid or under clause 12.3 below, the Authorities will from the service of such notice become responsible for all sums properly payable to the Consultant under the Appointment accruing due after the service of such notice but the Authorities will in paying such sums be entitled to the same rights of set-off and deduction as would have applied to the previous client under the Appointment.

12.2 Notwithstanding anything contained in this Deed and notwithstanding any payments which may be made by the Authorities to the Consultant, the Authorities will not be under any obligation to the Consultant nor will the Consultant have any claim or cause of action against the Authorities unless and until the Authorities have given written notice to the Consultant pursuant to clause 12.1.1 or clause 12.3 of this Deed.

12.3 The Consultant further covenants with the Authorities that if the Project Agreement is terminated by the Authorities the Consultant, if requested by the Authorities by notice in writing and subject to clause 12.1.2 and clause 12.1.3, will accept the instructions of the Authorities to the exclusion of the Building Contractor in respect of its duties under the Appointment upon the terms and conditions of the Appointment and will if so requested in writing enter into a novation agreement whereby the Authorities are substituted for the Building Contractor under the Appointment.

12.4 If two (2) or more valid notices are received on the same day any notice served by the Lender(s) shall be deemed to have first priority. Only the notice deemed to have first priority shall take effect and no other relevant notice will bind the Consultant.

12.5 The Building Contractor acknowledges that the Consultant will be entitled to rely on a notice given to the Consultant by the Authorities under clause 12.3 as conclusive evidence that the Project Agreement has been terminated by the Authorities.

12.6 The Authorities may by notice in writing to the Consultant appoint another person to exercise their rights under this clause 12 subject to the Authorities remaining liable to the Consultant as guarantor for their appointee in respect of their obligations under this Deed.

13. **SUB-CONSULTANTS**

Following a written request from the Authorities the Consultant will (unless it has already done so) and/or procure that its sub-consultants execute a deed of collateral warranty in the relevant form specified in the Appointment in favour of any person in whose favour the Appointment obliged the Consultant to give or procure the giving of such a warranty.

14. **APPLICABLE LAW AND JURISDICTION**

This Deed will be construed in accordance with English law and be in all respects subject to the exclusive jurisdiction of the English courts.

15. THIRD PARTY RIGHTS

This Deed is enforceable by the original parties to it and by their successors in title and permitted assignees. Any rights of any person to enforce the terms of this Deed pursuant to the Contracts (Rights of Third Parties) Act 1999 are excluded.
