suspending its performance thereof and stating the amount (if any) of monies outstanding under the Appointment. Within such period of notice:

12.1.1 the Contractor may give written notice to the Consultant that the Contractor will thenceforth become the employer under the Appointment to the exclusion of the Building Contractor and thereupon the Consultant will admit that the Contractor is the Building Contractor under the Appointment and the Appointment will be and remain in full force and effect notwithstanding any of the said grounds;

12.1.2 if the Contractor has given such notice as aforesaid or under clause 12.3 below, the Contractor shall accept liability for the Building Contractor's obligations under the Appointment and will as soon as practicable thereafter remedy any outstanding breach by the previous client which properly has been included in the Consultant's specified grounds and which is capable of remedy by the Contractor; and

12.3 The Consultant further covenants with the Contractor that if the Building Contract is terminated the Consultant, if requested by the Contractor by notice in writing and subject to clause 12.1.2 and clause 12.1.3, will accept the instructions of the Contractor to the exclusion of the Building Contractor in respect of its duties under the Appointment upon the terms and conditions of the Appointment and will if so requested in writing enter into a novation agreement whereby the Contractor is substituted for the Building Contractor under the Appointment.

12.4 If two (2) or more valid notices are received on the same day any notice served by the Contractor shall be deemed to have first priority. Only the notice deemed to have first priority shall take effect and no other relevant notice will bind the Consultant.
